

3PGCIC 2011

SIXTH INTERNATIONAL CONFERENCE ON P2P, PARALLEL, GRID,
CLOUD AND INTERNET COMPUTING

OCTOBER 26-28, 2011, TECHNICAL UNIVERSITY OF CATALONIA, SPAIN

Call for Workshop Proposals

Submission deadline: January 31, 2011

We invite the proposals for thematic 3PGCIC 2011 Workshops, which are intended to provide a forum for the discussion of a specific topic from the field of P2P, Parallel, Cloud, Grid and Internet Computing between an international group of researchers. Each workshop should have at least **8** paper presentations. The workshop organizers will be responsible for advertising the workshop, reviewing and selecting the papers. Financial assistance will be proposed for workshops with at least **8** registered papers.

Papers accepted for Workshops should not exceed **6 pages** in length and will be published in the 3PGCIC-2011 Proceedings.

Proposals to organize workshops should include the following information:

- Workshop title
- Name, affiliation, mailing address and e-mail address of the organizer(s).
- Workshop webpage link
- Names of at least 10 PC members for the workshops
- A description of the topic of the session (not exceeding 100 words) plus a short description on how the session will be advertised so as to ensure a sufficiently wide range of authors.

Workshops proposals should be sent to **Dr. Hiroaki Nishino** (hn@oita-u.ac.jp) before **January 31, 2011**.

The notification of the proposals acceptance will be announced till **February 5, 2011**.

Papers for workshops should be submitted directly to the Workshop Website. Deadlines for workshop papers should in principle be the same as for conference papers. The Workshop organizers can use the 3PGCIC 2011 paper submission system to review the papers on basis of the same criteria as those in the main conference tracks. For any questions and inquiries, please contact:
